INTRODUCTION

With the goal of having an agreement that is fair to the employees, to the Borough as the employer, and to the public, the Borough and Local 1547 of the International Brotherhood of Electrical Workers, hereinafter referred to as the "Union," or the "IBEW", do enter into, establish and agree to the following conditions of employment.

ARTICLE 1 **TERM OF AGREEMENT**

1.1 This Agreement shall become effective at 12:01 a.m. on July 1, 2018 and shall continue in full force and effect through and including 11:59 p.m., June 30, 2021 and shall continue in full force and effect from year to year thereafter unless notice of desire to amend this Agreement is served by either party upon the other at least ninety (90) days prior to the date of expiration. If notice to amend is given, negotiations shall commence within thirty (30) days following the date of the notice. This Agreement shall remain in effect until the terms of a new or amended Agreement are agreed upon, provided, however, that if a notice to amend is timely given, either party may at any time thereafter notify the other in writing of its desire to terminate this Agreement as of a date stated in such notice to terminate. The stated date shall not be earlier than the date of expiration, and shall be at least ten (10) days subsequent to the giving of such notice to terminate.

ARTICLE 2 **RECOGNITION**

2.1 The Borough recognizes the Union as the sole and exclusive bargaining agent for employees in the Electric Utility Department. This Agreement shall cover all full-time, part-time and seasonal employees of the Borough in the job classifications set forth in Appendix A.

ARTICLE 3 **UNION MEMBERSHIP**

3.1 All employees of the Borough coming within the classifications covered by this Agreement who are not already Union members may make application to join the Union.

- A. A Union representative or shop steward will be allowed to meet with all newly hired bargaining unit employees, without charge to the pay or leave time of the employees, for a minimum of 60 minutes, within 7 calendar days from the date of hire, in a new employee orientation.

- B. The Employer agrees that it will not make recommendations to employees regarding membership in or payment of dues to the Union, including whether to join, to resign or relinquish membership in the Union or to revoke authorization of the deduction of fees to the Union. Questions regarding union membership and dues payments will be directed to the Union.

- C. The Employer agrees that it will not disclose home addresses, personal telephone number(s), personal cell phone number(s), or personal e-mail address(es) of any employees except to the Union unless required by law.

- D. Nothing in this agreement is intended to address the rights of the Union to establish policies under which a nonmember is denied Union representation or charged for the cost of a grievance and/or arbitration filed at the request of the nonmember.

3.2 These provisions shall not be construed as denying the Borough the right to select its employees regardless of whether such employees are members of the Union.

3.3 Management agrees the Union reserves the right to discipline its members for any violation of any of the union's laws, rules or agreements.

3.4 The Borough shall deduct from wages of employees covered by this Agreement and pay over to the proper officers of the Union the membership dues or equivalent fees for those employees who individually and voluntarily authorize such deductions in writing.

3.5 The Borough will not be held liable for check-off errors, but will make proper adjustment with the Union for errors as soon as possible.

3.6 The Borough shall furnish space for a Union bulletin board for the use of the Union in posting officially signed Union business.

3.7 Based on a vote by the bargaining unit, the Business Representative may appoint a steward and so notify the Borough as to his or her name and specific duties. No other employee or member of the Union outside of the Business Manager, Business Representative and his or her appointed steward shall represent the Union.

3.8 The authorized representative of the Union shall be granted access to any shop or job at any reasonable time during working hours provided that he or she shall not conduct himself or herself in a manner detrimental to the interest of the Borough and provided he or she shall make his or her presence known to the Utility Director.

3.9 IHBF: If a majority of Bargaining Unit Employees working under the Petersburg Borough Collective Bargaining Agreement elect to participate in the IBEW Hardship and Benevolent Fund, the Employer shall, beginning the first pay period following notice of the election, deduct and forward to the IHBF five cents (\$0.05) per compensable hour of each bargaining unit employee. Such funds shall be forwarded in the same manner and form as other contributions are submitted by the Employer.

3.10 The Union will hold the Borough harmless for its decisions regarding all dues deductions.

ARTICLE 4 **NO STRIKE - NO LOCKOUT**

4.1 It being understood that the services performed by the employees covered by this Agreement are essential to the operation of the public utility and to the welfare of the public dependent thereon, the Union agrees that there shall be no strike or other concerted cessation of work by the Union or its members. The Borough agrees that there shall be no lockout of the Union or its members, except in the case of a willful or deliberate violation of the Agreement.

ARTICLE 5 **GRIEVANCE AND ARBITRATION**

5.1 Any grievance, defined as an alleged breach of this Agreement raised during its term, shall be handled in the following manner, each step to be taken only if a satisfactory adjustment cannot be obtained on the previous step within ten (10) calendar days:

- (a) Step One: The aggrieved employee, with or without the Shop Steward, will discuss the grievance with the employee's immediate supervisor, within twelve (12) calendar days after the grievance arose.
- (b) Step Two: The grievance shall be reduced to writing and be filed by the Shop Steward or Union Representative with the Utility Director.
- (c) Step Three: The grievance shall be submitted to the Borough Manager by the Union Business Representative.

5.2 Any Grievance not filed according to the procedures described in the foregoing Section shall be deemed to have been waived and shall not be entitled to further consideration. The Borough shall respond in writing at Steps 2 and 3 of the grievance procedure within ten (10) calendar days. The time limits set forth in each step of the Grievance Procedure may be extended by mutual consent of the parties hereto.

5.3 If not settled, the Union may submit the grievance to final and binding arbitration within ten (10) calendar days following receipt of the Borough Manager's response. Within ten (10) calendar days of the notification, the Borough and the Union shall attempt to agree on an arbitrator. If the parties are unable to agree on an arbitrator, the Union shall within ten (10) calendar days after failure to agree and no later than sixteen (16) calendar days following the Borough's receipt of the notice of appeal to arbitration, request the Federal Mediation & Conciliation Service to supply a list of seven (7) qualified arbitrators and the parties shall alternately strike names from such list until the name of one (1) arbitrator remains who shall be the Arbitrator. The party to strike the first name shall be determined by coin toss. The Arbitrator shall be notified immediately of his or her selection by letter from the Borough and the Union requesting that a time and place for a hearing be set as soon as possible. The Arbitrator's award shall be final and binding, subject to the limits of authority stated below. The parties shall use their best efforts to minimize the costs.

5.4 The Arbitrator's function is to interpret the Agreement. The Arbitrator shall consider only the particular issue presented in writing by the Borough and the Union. The Arbitrator shall have no authority or power to add to, delete from, disregard, or alter any of the provisions of this Agreement, but shall be authorized only to interpret the existing provisions of this Agreement as they may apply to the specific facts of the issue in dispute. The Arbitrator shall not decide on the merit or wisdom of any action or failure to act, but only on the contractual obligation inherent in this Agreement. If the Arbitrator should find that the Borough was not prohibited by this Agreement from taking, or not taking, the action grieved, he or she shall have no authority to change or restrict the Borough's action or inaction or to substitute his or her own judgment for that of the Borough. Unless a specific provision of this Agreement expressly grants the Union or employees a right, privilege, or benefit claimed by it or them, the Arbitrator shall not award any such right, privilege or benefit to the Union or employees.

5.5 Any dispute as to procedure shall be heard and decided by the Arbitrator in a separate proceeding prior to any hearing on the merits. Any dismissal of a grievance by the Arbitrator, whether on the merits or on procedural grounds, shall bar any further arbitration. Each party shall bear one-half (1/2) of the fee of the Arbitrator and any other expense jointly incurred by mutual agreement incidental to the arbitration hearing. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other party, except that witnesses who are employees of the Employer shall be paid by the Employer for normal working time spent testifying at the hearing.

5.6 Due to the limited work force, procedures described in this Article involving employees of the Borough will be conducted outside of regular working hours when possible.

ARTICLE 6
SUBCONTRACTING

6.1 The Borough shall have the right to subcontract work covered by this Agreement to persons, firms or corporations who must be in compliance with Alaska State laws. No regular full-time employee shall be laid off or have his or her hours reduced as a result of subcontracting.

6.2 In the event of the sale or lease of the Borough electric utility, or a merger or consolidation with another company, utility, or authority, the Borough will provide sixty (60) days advance notice to the Union. The terms and conditions of this Agreement shall be binding on any and all successors and assigns of the Borough, whether by sale, transfer, merger, acquisition, consolidation or otherwise.

ARTICLE 7
SENIORITY, HIRING, PROMOTION, LAYOFF, AND DISCHARGE

7.1 Seniority as used herein shall mean the length of service in continuous employment for the Borough. Employees shall not accumulate seniority during their probationary employment. After an employee has completed his or her probationary period and transferred to regular status, his or her seniority shall be dated from the date of his or her employment.

- (a) Unless prohibited by another employment agreement an employee shall not lose seniority when transferring to another department within the Petersburg Borough.

7.2 The seniority of an employee shall terminate under any of the following conditions:

- (a) When laid off for a period of twelve (12) consecutive months;
- (b) When an employee resigns from employment with the Borough;
- (c) When an employee is discharged for just cause; or
- (d) When an employee temporarily laid off fails to return to work within ten (10) working days after written notice (by registered mail to his or her last known address or delivered to him or her personally) requesting such return and, if such employee fails to notify the Borough of his or her intention to return to work within forty-eight (48) hours after receiving such notification.

7.3 In the selection of shifts and vacations, seniority shall be given full consideration insofar as practical in the best interest of service.

7.4 In making temporary and permanent appointments and promotions, seniority shall be given full consideration; and where required skills and abilities are equal, seniority shall prevail.

7.5 Notices of vacancies in positions covered by this Agreement shall be posted for five (5) days on a previously designated bulletin board in advance of permanently filling the position in order to afford presently employed Borough employees the first opportunity to apply; copies of said notices are to be provided to the Union's shop steward and the Union Business Representative. If qualified employees apply during the in-house five (5) day filing period, they will be considered by the employer.

7.6 Any employee who is promoted shall be given a reasonable period of time, not to exceed one hundred eighty (180) calendar days, to acquaint himself or herself with the job and prove his or her ability to fill the job satisfactorily. Should the employee during such trial period prove unsatisfactory for the job to which he or she has been promoted, he or she shall be returned to his or her former job without loss of seniority. This section shall not apply to terminations for cause.

7.7 Should it be necessary to lay off any regular employees because of justifiable reasons, the Borough shall give the employees affected notice in writing four (4) weeks in advance, or in lieu of such notice four (4) weeks pay at the employee's regular rate of pay at the time of such layoff.

- (a) Any layoffs shall be made in the inverse order of seniority provided required skills and abilities are equal within the same job classification.
- (b) If, thereafter, a vacancy occurs, seniority and required skills and abilities shall be considered when filling such vacancy.

- 7.8
- (a) No regular (non-probationary) employee shall be disciplined without just cause. The Borough will follow the principle of progressive discipline.
 - (b) Upon written request to the Manager, an employee may request any disciplinary action to be removed from their personnel file. The Borough Manager may remove any disciplinary action.
 - (c) Where substance abuse is suspected, the procedure in the current Employee Policy Manual shall apply. If the Borough desires to change the Drug and Alcohol Policy the Borough will give notice of the change to the Union and upon request will negotiate the mandatory aspects of the changes.

ARTICLE 8
CLASSIFICATION OF EMPLOYEES

- 8.1 Employees shall be classified as regular, seasonal and temporary employees.
- (a) The regular classification is used when the position is part of the regular complement needed for performing Borough services and the employee has successfully completed his or her probationary period in the position. Regular positions may be:
- (1) Full Time: Where work involves forty (40) hours a week or more on a regular basis.
 - (2) Part Time: Where the work involved is to be done during a portion of a work day or work week and totals less than forty (40) hours a week on a regular basis. Part-time employees shall receive benefits on a pro rata basis according to the number of hours worked to the extent they are eligible to receive such benefits.
 - (3) Seasonal: Where the work is assigned on a seasonal basis. Seasonal employees shall receive benefits on a pro rata basis according to the period in which they are working to the extent they are eligible to receive such benefits.
- (b) Unless agreed to otherwise, the Borough may employ temporary employees to work a limited period of time, not to exceed six (6) months, to augment employees or to relieve employees during periods of vacation, sick leave, or for a specific project of limited duration.
- (1) Temporary employees shall not receive any fringe benefits, seniority or other benefits except as required by law.
 - (2) A temporary employee may be separated from the service, demoted, or suspended without cause at the discretion of the Borough.
 - (3) A temporary employee who is hired without a break in service to an established position of the same classification as his or her temporary employment shall have time served as a temporary employee counted toward the employee's six (6) month probationary period.

(c) Job Sharing:

Definition: Job sharing is defined as splitting hours of work for a regular full-time position to accommodate two (2) employees. Benefits for employees participating in job sharing will be prorated according to the number of hours worked.

When one of the job sharers is on leave of absence or terminates employment, the other participant will have the option of filling the position in a full-time capacity. During temporary short-term absences for vacation or sick leave of one of the job sharers, the other participant shall cover hours of work for the other participant as necessary. If either of the job sharers is required to attend meetings after normal business hours of the Borough, the employee will be compensated at the regular rate unless the contract requires otherwise.

8.2 All new employees with the exception of temporary employees shall be considered employed on a probationary basis and classified as such for the first six (6) months of employment. During the probationary period, a new employee may be terminated without cause at the full discretion of the Borough. If retained after six (6) months, such employees shall thereafter be considered regular employees, classified as such and be entitled to all rights and privileges contained in this Agreement retroactive to their first date of hire as a probationary employee.

8.3 Notification of all newly hired employees shall be given to the Union.
